MYSORE STATE LIFE INSURANCE.

Circular No. 13, dated 17th February 1893.

Instances having come under notice of premiums due on Policies not being paid regularly month by month by insured officials direct or by deduction from their pay by Heads of Departments, and as it is apprehended that this irregularity is the result of the rules on the subject not being understood, the undersigned has the honor to invite the attention of Heads of Departments and Treasury Officers to Clause 24 of the Mysore State Life Insurance Rules, which distinctly requires premiums to be paid in advance. By advance is meant the month in which the premium is credited in the Treasury accounts. For example, the 1st premium paid during, say, the month of October is for October; the 2nd premium payable from October's pay is for November and so on.

In several instances, the 1st premium was paid during a month, the second premium payable from the same month's salary was withheld on the presumption apparently that the 1st premium having been paid during the month, no premium is recoverable from pay for that month paid in the following month. This is not intended by the rules and should be guarded against in future.

The Heads of Departments and the Treasury Officers are therefore particularly requested to see that in future due attention is paid to the rules referred to above and that all premiums are recovered strictly in advance.

H. EAGLES,
for Secretary to the Insurance Committee.
